Who likes free **money**??

Is your Post getting close to 100% in membership??

Any Post that attains 100% in membership during the month of March will be entered into a drawing for **\$100** of Commander Leber’s personal **money**!

Whichever District the winning Post comes from will also receive **\$25** of the Commander’s personal **money**!

But wait, there’s more! For those Posts already at or above 100% this next part applies to you. The 100% Post that has the highest membership percentage increase during March will receive **\$25** of the Commander’s personal **money**!

Team IOWA, Clearly Commander Leber has lost his mind so take advantage of this before he comes to his senses!!!
